CD - ANDY SCOTT

'Songs For Publishing - 1984'

During 1983, Andy Scott wrote 10 songs with Chris Bradford and Mike Vernon plus one other song with Bias Boshell. All were intended to be released by other artists. Here for the first time, Andy has made these recordings available. Andy is featured on the tracks playing guitar and singing backing vocals. This CD has been transferred from the original sound desk recording. The audio is limited due to the technology of the time.
