The Teenie band was formed in the UK in 1968. In 1971 they joined RCA and started working with the composer team Nicky Chinn/Mike Chapman (Smokie, Mud, Suzie Quatro), having their first Top 10 hit FUNNY FUNNY. Way-out visual image with flamboyant costumes, make-up and glitter made them stay successful over the years. Listen to their first LP "Funny Funny, How Sweet Co-Co can Be".
