

In the midst of the 1970's emerged the bands now legendary as Glam Rockers. SWEET, not satisfied with being one of the pack, slapped on the paint and went out of their way to become even more outrageous.

This DVD brings together all of SWEET's bubblegum and glam-rock hits from Ballroom Blitz and Teenage Rampage to Wig Wam Bam and Blockbuster! Includes rare performances of their self-penned heavier tracks as well as bonus material from the original 16mm films that SWEET recorded to promote their singles worldwide.

With exclusive and specially recorded in-depth interviews, Andy Scott, Nicky Chinn (Writer/Manager) and Phil Wainman (Producer/Manager) take us behind the scenes as they relate their stories behind SWEET's phenomenal rise to stardom. With official endorsements from the entire band, this DVD is the definitive SWEET.
